# Who We Are

The Suffolk County High School Principals Association is a 501(c)3 public charity organization dedicated to enhancing educational opportunities, promoting character development, and fostering leadership skills among our students. Additionally, our organization provides valuable resources to our educational leaders and local school communities.

Our association is made up of high school Principals throughout Suffolk County, divided into five geographic zone clusters. Our Principals meet on a regular basis and focus on instructional and social issues that impact our students, staff and families.

The SCHSPA has worked tirelessly and effectively to unite Suffolk County Principals and create a cohesive and viable organization. Our association is continually seeking out opportunities to create partnerships with other professional and private organizations that share our commitment to the betterment of our children. Only together can we accomplish our mission and prepare our young adults for the challenges of the 21<sup>st</sup> Century.

*Our association is made up of high school  
Principals throughout Suffolk County,*

# Becoming a Corporate Scholarship Sponsor...

The SCHSPA has established a scholarship program dedicated to honoring graduating seniors that have demonstrated exemplary leadership skills. We have established a series of \$1,000 scholarships that will provide further educational opportunities for these deserving seniors.

Each \$1,000 donation will enable your corporation to directly sponsor one deserving senior, and our association will provide prominent recognition of your involvement in this endeavor on the SCHSPA website. Our association hosts an annual Senior Scholarship Luncheon each spring that will recognize all winning seniors and their corporate sponsors. Additionally, corporate sponsors are welcomed speakers at our Executive Board and Zone meetings.

The SCHSPA thanks you for your support in nurturing the value of leadership in our society and for becoming an educational partner with our association. For further information, please contact Ed Casswell, President, at (631) 874-0491 or [ecasswell@cmschools.org](mailto:ecasswell@cmschools.org)
